SUBJECT: MDA - DEMARCHE ON AMBASSADORS MEETING IN GENEVA  
(EL SALVADOR)

REF: SECSTATE 63870

On April 26, Poloff discussed reftel points with Ingrid Zuniga, International Humanitarian Law officer at the Ministry of Foreign Affairs. Zuniga indicated that the Government of El Salvador was in the process of determining who would represent their government at the meeting and that they were considering sending a special delegation to Geneva for the event. She believes that the GOES will determine the final composition of their representation in the next few weeks. The GOES has been a strong supporter of the inclusion of Magen David Adom in the Red Cross/Red Crescent movement, and they look forward to receiving the agenda of the meeting from their delegation in Geneva.
